

COLUMBUS LANDMARKS IS READY TO HELP WITH YOUR OLDER HOME.

The mission of the new Home Preservation Program is to assist Columbus homeowners in the preservation, repair and maintenance of houses 50 years and older. The program:

Offers resources to help homeowners preserve the unique architectural character of their older homes, while making them more comfortable with energy efficient repairs and upgrades

Guides & Assists homeowners on repair and renovation projects including free, impartial consultation on appropriate repairs, materials and ongoing maintenance

Provides qualifying homeowners access to low-interest loans, from participating banks through a partnership with participating banks.

Builds lasting partnerships with property owners that benefit Columbus neighborhoods

Supports Columbus homeowners in improving their homes through projects that may include:

- Doors/Windows
- Roofing/Siding
- Painting
- Insulation/Duct Sealing/Weather stripping
- Heating & Air Conditioning Improvements
- AND MORE
